

NORTH SHORE RADIOLOGY & NUCLEAR MEDICINE

RADIOGRAPHER

- Full-time position
- St Leonards location
- Regular onsite education and training for CPD
- Opportunities for overtime and on-call
- Base salary circa \$74,000 pa

North Shore Radiology and Nuclear Medicine, situated within North Shore Private Hospital has an expanding business that requires an enthusiastic Radiographer.

Our Practice provides a quality, patient focused service, providing sub-specialising reporting for both specialist referrers and GPs. We currently provide Radiology services at three locations within close proximity of each other. We use state of the art equipment with brand new 3T MRI and PET/CT services. All modality examinations are varied with a focus on Oncology, Vascular (including Cardiac), Neuroimaging and Intervention.

The successful candidate will ideally be an accomplished general radiographer who is looking to take the step into CT. A willingness to work as part of a team to produce a quality outcome for our patients and referrers is a must. Candidates must have a current NSW EPA license and AHPRA accreditation.

North Shore Radiology and Nuclear Medicine is committed to the professional development of our staff and teams. Offering multiple pathways both internally and externally for training and development, this role will suit someone who wishes to advance quickly into CT and beyond. The role will require weekend work and participation in an on-call roster.

This is an excellent opportunity to work within a progressive, friendly and supportive imaging group. Professional development is encouraged with access to conference support and specialised training.

SPP candidates need not apply, thank you.

Please send your resume and cover letter to dharvey@nsrnm.com.au Initial enquiries may be made by contacting Dean Harvey, Chief MIT, on 84253609.

To all recruitment agencies: North Shore Radiology and Nuclear Medicine does not accept agency resumes. Please do not forward resumes to our contacts, employees, or any other company location. North Shore Radiology and Nuclear Medicine is not responsible for any fees related to unsolicited resumes.
